

*Hello everyone and welcome to 2024, I hope you all had a well-deserved and restful break and are surviving all the storms.*

*It's hard to believe we are just a few days away from February and we are all looking forward to an exciting and packed year at CCC. Believe it or not we have already been busy planning our events for the year which include: Window Wanderland, a Summer Fete, our Volunteer Celebration, Tea Dances, Music Day and much, much more...*

*Lots of exciting things to look forward to this year at CCC!!*

*Louise*

## CCC News

### Groups

#### Jewellery Making - Taster Sessions

We are excited to announce that we will be holding 2 taster workshops in Jewellery Making on Thursday 22<sup>nd</sup> and 29<sup>th</sup> February led by Ruth. They will be held in the activity room from 2.15 until 3.45pm and it's an opportunity to have a go and try something different. You must register for the workshops so that we have an idea of numbers. Please contact the centre if you are interested on 07580 659 676.

### Digital Support

Demand for Digital Support has been dwindling over the last few months so for the moment, we have made the decision to stop our drop-in for the time being. We are still taking names for anyone who needs support which will help us to plan for the future.

### Volunteering News

*A huge welcome to Rachel who is working in our Charity Shop on a Wednesday morning and Angela who will be working on a Wednesday afternoon.*

*We are sad to say goodbye to Keith and Grant, our Digital Champions and we would like to thank them for the amazing contribution that they both made to CCC. We wish them both well in their future endeavours.*

### Student on Placement

*A huge welcome to Josh, who joins us from the University of Edinburgh where is studying the MA(Hons) Learning in Communities. Josh will be with us on placement until the middle of May and during that time will be working with volunteers, group leaders and participants so I am sure that you will get the chance to meet him at some point during his time with us.*

## Window Wanderland, what's it all about?

Window Wanderlands are:

*Inclusive – anyone can join in whether making displays or viewing them.*

*Positive – they are FUN, enhance wellbeing and reduce isolation.*

*Creative – they make people feel connected to and proud of their community.*

*Non-Commercial – not for profit and only interested in staying sustainable.*

*CCC are creating a stooshy with their Window Wanderland offerings! Several groups are getting involved this year, from the sewing group, gardeners and art group as well as our babies and young people.*

*Take a wander past us on the Corstorphine route on Saturday 24<sup>th</sup> February and Sunday 25<sup>th</sup> February from 6 – 9pm and enjoy the delights of Corstorphine Window Wanderland.*

## CCC and the Coop

Corstorphine Community Centre is part of the @Coopuk Local Community Fund, to find out more about our project and to choose us as your cause, click here <https://membership.coop.co.uk/causes/80688>

Ask a member of CCC Staff to find out how to become a Coop member and choose CCC as your chosen cause to help raise funds for our groups.
