CCC PUBLIC ANNOUNCEMENT IN RESPONSE TO COVID-19 OUTBREAK

DECISION: Corstorphine Hub will be closed until further notice.

REASON: The Scottish Government has issued advice to the effect that all non-essential social contact should be stopped in response to the Covid-19 pandemic.

We will continue to explore how we can utilise the skills and experience of our staff and volunteers in providing continued support to our members and the wider community. We will adapt our offering as far as possible to ensure that people who rely on our services are not left isolated or unsupported.
