## WALKING GROUP VOLUNTEER

Corstorphine Community Centre runs a successful weekly walking group. We are now looking for a Volunteer Leader to start a second group, with shorter walks for older people who are less mobile. The group aims to provide both a social activity and an opportunity for exercise. It will be supported by local young people who are completing their Silver Duke of Edinburgh Award.

The group will meet weekly on Friday afternoons and include a local walk of 45 minutes to an hour and tea/coffee back at the Centre.

For further information and an volunteer application form, please contact Alison McGinley, Volunteer Coordinator, [volunteers@ccchub.online](mailto:volunteers@ccchub.online). Closing date 17 August.
